APPRENTICE WANTED

Daniels Electric is currently looking to hire an inside wireman electrical apprentice. The ideal candidate would be a quick learning, determined individual that is willing to work in a fast-paced, labor intensive environment.

Must have high school diploma/GED or be able to obtain one within the first six months of employment. Prior electrical experience is preferred but is not a necessity. Wage will depend on qualifications.

Contact Brandon at (406) 855-0663 if interested.
