

PUBLIC OUTREACH ANNOUNCEMENT

April 5, 2023

ELECTRICAL APPRENTICESHIP OPPORTUNITIES

Rocky Mountain Electric, Inc. is seeking interested individuals for apprenticeship training opportunities that may become available at our company. Those with mechanical aptitude and interest in the electrical trade are encouraged to apply. Interested candidates should submit their resume' and application between April 5, 2023 – April 19, 2023, by 5:00 pm MT to:

Rocky Mountain Electric, Inc.
101 Village Center Lane
Bozeman, MT 59718
Attn: Justin Mills/Lisa Willis

In addition, our apprentice candidates must:

- Be 18 years of age or older before entering the program
- Provide proof of high school graduation or GED, including transcript of school courses and grades
- Provide a record of previous work experience
- Provide character references
- Possess basic essential aptitude
- Be physically able to perform the essential functions of the occupation without endangering the health and safety of themselves and/or fellow workers
- Be a current Rocky Mountain Electric employee for a minimum of 60 days in order to be considered for the Apprenticeship program, **if possible**
- Provide proof of clean driving record
- Possess a current driver's license

Rocky Mountain Electric, Inc. encourages interested individuals to visit our website at www.rmemt.com to complete an Employment application. Please email it to us at employment@rmemt.com, along with your resume'.

Rocky Mountain Electric, Inc. is an Equal Opportunity Employer.

It is the policy of this company to assure that all applicants and employees are treated fairly without regard to race, sex, religion, national origin, color, disability or veteran status. Minorities and females are encouraged to apply; however, all qualified candidates will be considered.
